REQUEST FOR DECLARATION OF UNAVAILABILITY OF INVENTOR
UNDER 37 C.F.R. 1.47 AND STATEMENT OF FACTS

Mail Stop Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sirs:

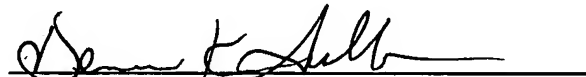

Pursuant to 37 C.F.R. 1.47, Applicant requests that Daniel Davis, a joint inventor of the above-identified application, be declared unavailable and that prosecution of this application be continued without his signed 37 C.F.R. 1.63 Declaration. Upon commencement of his employment as an independent contractor with Indianapolis Casting Corporation ("ICC"), a wholly-owned subsidiary of International Truck and Engine Corporation, Daniel Davis agreed in Section 4 of his Contracted Service Agreement that all intellectual property made or conceived during his contract is the property of ICC and agreed to assign to ICC the sole and exclusive right title and interest in and to inventions, discoveries and improvements. The above-identified application was made during such employment. Attached is a copy of the Contracted Service Agreement signed by Mr. Davis. (**Exhibit A**).

A copy of the above-mentioned application – including specification, claims, drawings, declaration and power of attorney, foreign assignments, assignment, and return envelope – was forwarded to Mr. Davis, one of the listed inventors, via Federal Express with delivery receipt requested on August 26, 2004, to his last known address at 1107 N. Mitthoffer Rd., Indianapolis, IN 46299 (**Exhibit B**). Applicant received a delivery receipt on August 27, 2004 stating it had been delivered (and signed for by "A. Watson") (**Exhibit C**), yet no signed documents were ever returned to Applicant from Mr. Davis. Repeated attempts were made to call Mr. Davis at his last known home phone number (317-985-0866), each attempt resulting in a recording that the number was not in service. (See also, Declaration of Catherine M. Majewski, attached as **Exhibit D**).

Applicant therefore attests that diligent effort was made to locate Mr. Davis and obtain his signature on the above-mentioned application.

Applicant therefore respectfully requests that the Commissioner declare Daniel Davis unavailable, or, in the alternative, has refused to sign the application, since the package was delivered, and allow continued prosecution of the above-mentioned application without his executed declaration under 35 U.S.C. 1.63. .

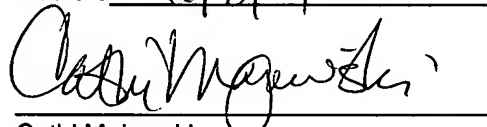

Respectfully submitted,

Dennis Kelly Sullivan

DECLARATION OF CATHERINE M. MAJEWSKI

Mail Stop Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

1. I, Catherine M. Majewski, am the administrative assistant for Dennis Kelly Sullivan, the attorney handling the above-mentioned file.
2. On August 26, 2004, I mailed (via Federal Express, delivery receipt requested) formal paperwork to Daniel Davis, which included a specification, drawings, Declaration, Power of Attorney, Foreign Assignments and Joint Assignment form.
3. After having not received the signed paperwork back from Mr. Davis, I attempted to phone him at his last known phone number (317-985-0866). I reached a recording which indicated the "number was not in service." Also, I received a delivery receipt from Federal Express indicating the package had been delivered on August 27, 2004 and signed for by A. Watson.
4. I then phoned my company's payroll department and was provided with a phone number for Mr. Davis, which is the same number I had attempted to phone earlier (317-985-0866). I made repeated attempts to reach Mr. Davis via this phone number, however, each time I called, I received a recording that stated the number was not in service. I made about 10 attempts to contact Mr. Davis at this phone number over a period of 14 days and all were unsuccessful. I was also told by a co-inventor on this file that he had also tried calling Mr. Davis at the above-mentioned number and he also received the same recording.
5. I had also conducted several people searches for Mr. Davis on the Internet and each attempt was unsuccessful.
6. I declare a diligent effort was made by myself to locate inventor Daniel Davis.

Catherine M. Majewski further declares that all statements made herein of her own knowledge are true and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application and patent resulting therefrom.

Declared at Waukegan, IL, this 5th day of November, 2004.
